Transform Vision into Reality

Company Overview

About Impian

Impian Innovation Sdn. Bhd., founded in the vibrant city of Penang, Malaysia, Impian Innovation derives its name from the profound inspiration of dreams. “Impian,” the Malay word for “dream,” reflects the company’s core belief that every great achievement begins with a vision. Guided by our slogan, “Transform Vision into Reality,” we are a dynamic and innovative enterprise committed to driving sustainable development within the highly competitive global business arena.

At **Impian Innovation**, we’re specializing in the design of luxury dog collars, leashes and harnesses while offering a curated selection of premium pet products . Every product we offer is a testament to our unwavering dedication to quality, innovation, and the well-being of pets and their families. We are committed to delivering thoughtfully designed, high-performance products that not only meet but exceed the expectations of modern pet owners.

Product Range

We offer a meticulously curated selection of premium pet products, designed to meet the needs of discerning pet owners. Our products are designed for the mid-to-high-end market, combining elegance, functionality, and durability to meet the expectations of modern, lifestyle-oriented consumers.

Our product range includes:

- **Premium Pet Accessories:** Elevate your pet's style with our collection of stylish, functional collars, leashes and harnesses crafted with premium materials for both comfort and durability.
- **Pet Technology:** Discover sustainable solutions like our Pet Dryer Box, offering an efficient and comfortable drying experience for your pets.
- **Pet Hygiene:** Maintain your pet's health and well-being with our premium cat litter designed for odor control and easy waste management.

Our Team

Impian Innovation has brought together professionals from various fields to form a powerful team. Team members include experienced personnel in the fields of design, supply chain, sales, marketing, process, finance, operations and more. Each member with his or her in-depth knowledge and rich practical experience contributes unique perspectives and skills.
